- c. That I was incarcerated in the DuPage County jail.
- d. That in April and May, 1999, two attorneys for CARLOS RODRIGUEZ, HARRY FIELD and LINDA SPAK visited me in the DuPage County jail on three occasions.
- e. That after the first visit in April, 1999, Sergeant Enieux brought me by elevator to a basement room in the jail; an area off limits to all prisoners in jail.
- f. He left me alone in the basement room for five minutes, after which three deputies - Sergeant Wick, Lieutenant Caldwell and Commander Hockhauser appeared.
- g. That they asked me questions regarding the attorney visits and what the visits were for, since I did not have any pending charges.
